The time has come and it is finally here, our 2008 yearbook. After four years of great memories and one year of extremely hard work I am proud to present to the Class of 2008 our final high school yearbook. I am certain that everyone is already aware that some serious changes had to be made this year in regards to the yearbook which included the making of the book completely online for the first year ever. Speaking of firsts, this was also the first year in which a video yearbook was made in addition to the yearbook. All of the hard work paid off in the end and we have created what I think is the best yearbook yet!

I would like to thank the people who made this year's yearbook possible. Without their constant commitment and valuable guidance the yearbook would not be close to what you have to look through today. First off, I want to thank the yearbook staff for finishing their pages on time and participating in the fundraisers this year. In particular, I would like to recognize Tess Koolen for her work on the senior connections and Gabby Brum who was responsible for the page numbers. Gabby was also our unofficial photographer and many of her pictures fill the following pages. Both girls helped out wherever they were needed, even taking on new pages if staff members were having trouble meeting the deadlines. Along with the staff I would like to thank Chestnut Hills for their wonderful photos covering fall and winter sports, underclassmen, clubs and activities, senior superlatives, and the senior class photos. Also, I can't forget to thank Christina Garnett, our Jostens representative for constantly saving the day by answering Mr. Coulombe and my questions, and helping to alleviate many of our worries concerning the yearbook. This year I also need to thank Mr. Medeiros and Sam Holt for their endless work on the video yearbook. Last but not least I can't thank Mr. Coulombe enough for taking on the daunting task of yearbook advisor this year. He has been great to work with, always keeping things in perspective and organized in order to make the workload bearable for me as well as the rest of the staff. I would like to wish Mr. Coulombe and next year's staff good luck with the many new challenges they are sure to face.

In addition to all these people, I would like to thank the Class of 2008 for all their patience this past year and for making memories that will last a lifetime. We all tried our hardest not to make any mistakes in the yearbook and I apologize if there were any. Even though there was some opposition, I hope nobody minds the new senior portrait layout and all of the other changes made this year. And now I would like to congratulate the graduating Class of 2008 for all their accomplishments and wish them luck in their future endeavors. I hope this yearbook serves as a reminder of the friends and memories made in your four years at Joseph Case High School.

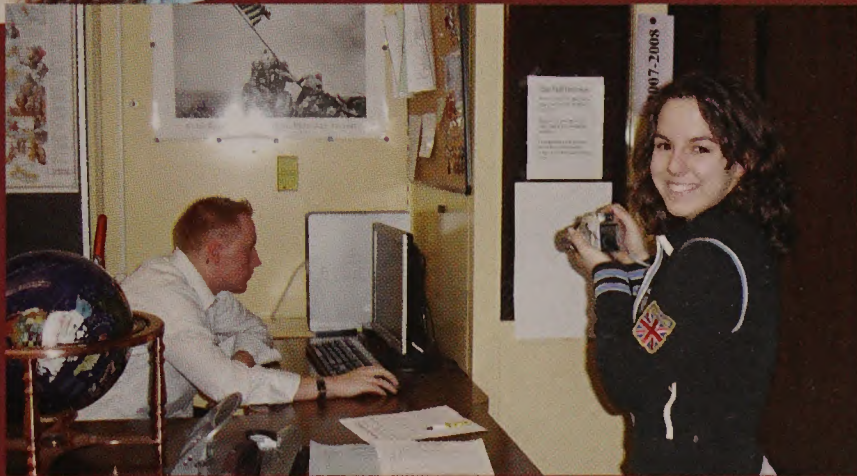

Sincerely,  
Laura Carberry

# Dedication

It is with great pleasure that we Robert Eddy. Mr. Eddy has been a for 35 years. He began his career at taught eighth grade science and ran the high school he became the AP biology, honors biology, anatomy general science. Mr. Eddy has

This is read by every but truly understood by those he has Eddy's teaching style perfectly because knows Mr. Eddy will take time out of lessons" as we like to call them. We

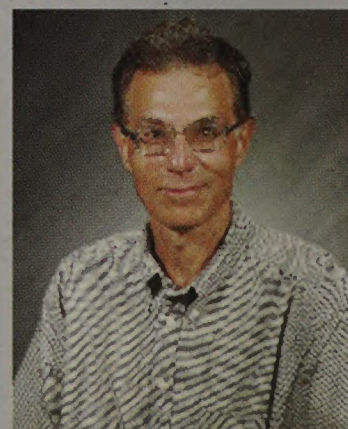

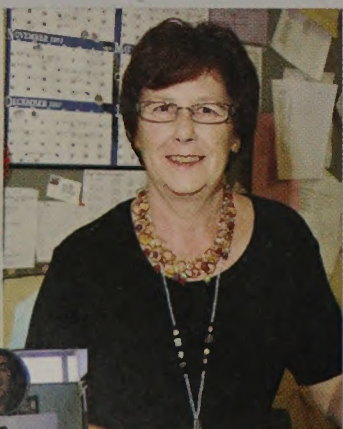

weren't always happy to hear them because we might have had a test the next day that we'd rather be reviewing for, or we weren't ready to think about what Mr. Eddy wanted us to be prepared for; our futures. Mr. Eddy has the uncanny ability to see the potential in every one of his students, and give them the skills that will allow them to succeed. In addition to teaching us his life lessons and the course material, he also taught us how to learn, which has prepared us all for our future education experiences. Mr. Eddy made himself available to his students whenever they needed some extra help, or just someone to talk to. His ability to listen really separates him from many other teachers because it makes him more accessible and understandable to students. Mr. Eddy is respected not only by his students, but also by his colleagues and administrators, and we are sure that they will join the Class of 2008 in thanking Mr. Eddy for all his hard work over the years and wish him good luck in his retirement.

Mr. Eddy always said he felt like he was running out of time to tell us everything he wanted. Here are some of the life lessons he hoped his students would remember as they left high school: That they are true to themselves, live their lives with gratitude and joy, discover their passions and apportion some of their time to them, come to understand their potential to have a very positive influence on other people, and that they love deeply.

# In Appreciation

This June a beloved secretary and guidance counselor are moving on to a new phase in their lives along with the seniors. The Class of 2008 would like to recognize Mrs. Barbo for her 21 years as a secretary in 'The Office,' and thank Mrs. Barbo for her dedication to the school. Mrs. Barbo's voice on the intercom for periodic announcements will be sorely missed. Mr. Raposo's 4 years of guidance will be missed as well. We are all very thankful for his help with college applications, scholarships, and course selections. We hope Mrs. Barbo and Mr. Raposo will enjoy their retirement and remember their years at Case High.

To The Class of 2008:

This yearbook contains pictures of you as a graduate, just as other yearbooks have had pictures of you as an underclassman. Still, your parents can vividly remember your first day of kindergarten, helping with a science project, watching you participate in extracurricular activities and attending Open House and Parent-Teacher Conferences.

As members of the Class of 2008, you have first-hand knowledge of how fast time can pass, from your first days as a freshman to being measured for your cap and gown.

Please keep the importance of making the rapid passage of time meaningful as you leave the shelter of Joseph Case High School and emerge into an ever competitive society.

The Swansea School Administration, staff, and School Committee congratulate you on this important achievement and wish you the best as you pursue your future.

Sincerely,  
Steven Flanagan  
Superintendent of Swansea Schools

Dear Class of 2008:

As you graduate from Joseph Case High School, think about F. Scott Fitzgerald's sentence, "There are no second acts in American lives."

One of the first books I read this year was How Starbucks Saved My Life by Michael Gates Gill. This non-fiction work focused on a man who had a privileged upbringing and life until he was fired after 25 years in the advertising business in New York City. This led to a series of poor decisions resulting in a broken marriage and professional life. Gill ultimately finds happiness (and employment) working at a Starbucks.

He quotes Fitzgerald twice in the book. His first quote reminds us that your education will continue after you leave Joseph Case High School -- whether at a two-year or four-year school or in a career. Certainly the statement drives home the fact that what we do today will certainly influence tomorrow. Since there are no second acts in life, there is also no intermission. Although we all need a week or two to re-invigorate a few times a year, there is indeed no hiatus from the pressures and obligations of being a functional person in society.

Gill's second reference to Fitzgerald reminds me of Benjamin Franklin while reinforcing a tenet of the American Dream: In a letter to his daughter after the death of her mother, Zelda, Fitzgerald noted that, "She realized too late that work was dignity."

Hard work certainly has its benefits. With your graduation from high school, you are experiencing one of them. My wish for you reflects one which Michael Gill's co-workers gave to him as he moved to a Starbucks closer to his home: Please give him work to do that has real value, without which the world would be poorer.

I applaud your high school performance and look forward to learning of your future accomplishments.

Brian McCann  
Principal

Class of 2008,

Congratulations on your graduation from Joseph Case High School. This is an accomplishment you should be very proud of, as you have earned the title of high school graduate. This is a title that no one can take away and the significance of your accomplishment should never be trivialized.

The academic lessons you have learned are invaluable and will help you understand and contribute to the world you are about to enter. Equally as important are the lessons you have learned outside the classroom, the lessons you have learned in the halls, in the cafeteria, at play rehearsal, at band rehearsal, and on the various fields of athletic competition. Remember these lessons and allow them to shape you into a well rounded, educated member of society.

As I think back about the members of the class of 2008 I recall things I have learned from my interactions with you during your junior and senior years. Some of you have had a positive impact on me and that is something I will not forget. Do not forget those people that have had a positive impact on you and take the lessons they have taught you along for the journey that is the rest of your life.

I wish you the best in all of your future endeavors.

Robert Silveira  
Assistant Principal / Vice principal

To The Class of 2008,

The senior class this year has a special place in my heart. Why? We started high school together. Maybe not in the same capacity, but my first year at Joseph Case High School happened to be your first year. I still remember the opening day assembly when we were all huddled in the front of the auditorium. I introduced myself, gave a few words of wisdom, and shared my excitement about working in Swansea. I think we began our bond on that day.

I encourage you to maintain a positive relationship with Swansea Public Schools. You will be leaving the building soon, but your lively spirit will always be remembered. I have thoroughly enjoyed our four years together.

Make safe decisions and stay in touch.

Sincerely,  
Karen Ragland  
Assistant Principal / Administrative Dean

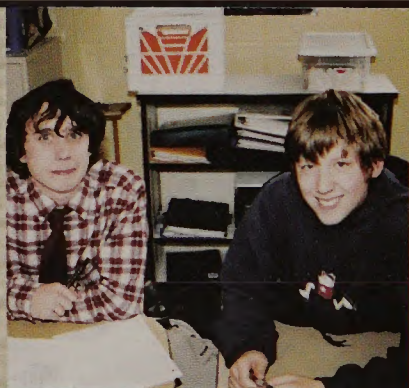

# Class History

## Freshman Year

We finally made it. Our first day of high school. We are introduced to the new principal, Mr. McCann and meet Mrs. Ragland for the first time. The upperclassmen acknowledge us by booing us off of the "senior ramp" and being called fresh meat at the pep rally. In our first class election we elect David Martelly as President, Laysa Neto as Vice President, Rachel Hodosh as Secretary, and Sean Toland as Treasurer (Dave and Rachel will hold their positions for the rest of high school). No one expected latin to be so exciting...that is until we met Mr. Nalibow. The Red Sox finally win the World Series! The volleyball team makes it to the state finals and the girls' basketball team wins the state championship. Our Fall production is The Lion, The Witch, and the Wardrobe. President Bush is reelected. Our competition piece, Red Noses, makes it to the state finals and our spring production is Quasimodo. We live through the blizzard of 2005 and hear about the huge earthquake and tsunami in southeast Asia. We still have a lot in store for our high school years to come.

## Sophomore Year

Sophomore year proved to be a struggle. Hurricane Katrina hit Louisiana and we pull together to help out. On November 5th we lost an important man in our community. Officer Bob was not only a police officer, but a father, teacher, friend, and coach who will be greatly missed. Our entire town banded together to show its love for him by attending his wake and funeral. Unfortunately this wasn't our only loss, Krista Lucianno, a fellow classmate also passed away (Jan. 14th). Christopher Deschenes is elected class treasurer. In the last lobby display competition, we create an "Indiana Jones: Raiders of the Lost Game" display on the ramp and win second place. Case wins the Thanksgiving Day game, finally. We plan a Hollywood Semi-Formal for March. The theatre company celebrates its 30th Anniversary with its production of The Sound of Music. High School is half way over and we still have so much more to do.

Class History

# Junior Year

We prepare ourselves for our hardest academic year yet. We elect Margaret Carvalho as our new Vice President. The officers begin to plan our prom, which proves to be a big ordeal. The Triple-E scare causes friday night football games to become friday afternoon football games. The fall drama production is Robin Hood. The drama company wins the state championsip with its production of Arabian Nights, although we are unable to travel to New Englands because it conflicted with the England trip. In April we travel to England with Mr. Marcello and have a blast. In May we get on our coach buses and go to our prom, which was truly "An Enchanted Evening." The Lakeview Pavilion in Foxboro was beautiful. Before we know it, we say goodbye to the seniors and realize that we are the oldest people in the school now.

# Senior Year

After waiting for what seemed like an eternity it is finally our senior year. Our officers remain the same. It seems like all the fall sports teams lose players to injuries. The pep rally is a success and our banner "'08 DOMINATE" proves correct, as we win spirit wars. The Senior girls beat the juniors in the first ever powderpuff football game. We start to worry about college applications while catching a serious case of senioritis. The Black & White Senior Social is fun. We put on Peter Pan in the Fall and Mirrors is our competition piece. A woman campaigns for the presidency as many of us prepare to vote in our first election. The acceptance letters come and the senioritis worsens. We count down the days until the end of school as teachers become annoyed with us. High School Musical is the Spring Production. Bay Queen, Ice Cream Social, Class Night, and Graduation are right around the corner. The year is flying by, and before we know it, we will all be moving on. We had all put 2008 in response to "YOG" for years, but now it was actually here and we were going to make the most of it.

## Awards, Awards

Amongst the top sellers in 2007-2008 and award winners, Justin Timberlake walked away with several MTV Music Awards, and Rihanna won herself several Grammy's including best Rap/Sung Collaboration for her song "Umbrella."

# MUSIC

Top Music Stories of 2007-2008

## High School Musical

Originally released in 2006, the Emmy Award winning Disney movie becomes popular among many. Because of the success of the musical, a sequel was released in 2007 with another in the planning. In addition, the musical has also spread around the globe like wildfire, where viewers from all over the world have enjoyed this musical.

## Herbie Hancock

Owner of many Grammy Awards already, Herbie Hancock was against some popular musicians like Kanye West for album of the year. However, he pulled off the victory, which marked the first time a jazz musician has earned the award in 43 years.

## American Idol

Back for yet another season (7th to be exact), the cast of Simon, Paula, Randy, and Ryan were back at it again. Paula and Randy played the nice guys, while Simon played the miserable and blatantly honest, tough love judge. In the middle was Ryan, playing piece keeper, while also throwing in his jabs at Simon when he felt it necessary.

## iPod Craze

After years of being on the market, iPods still remained a top seller and one of the in demand consumer items. It's available in most colors and sizes which keeps the market wide open for sales.

TI

2006 was a successful year for the upcoming rapper and self proclaimed "King of the South." In 2007-2008 he continued to ascertain himself as one of the premier rappers in the business. Besides coming out with the highly successful album T.I. vs. T.I.P., TI also helped to assist on and produce albums for many including Yung Dro.

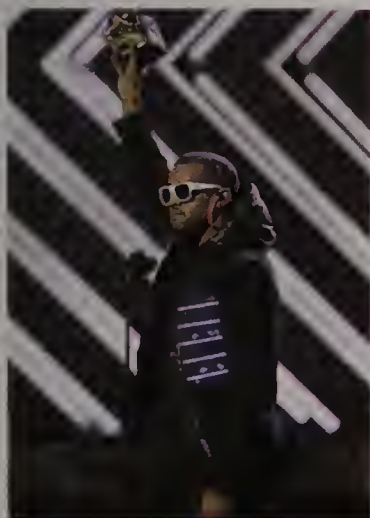

## Year of Legends

2007-2008 was marked by the release of a few greatly anticipated albums by some of music's legends. After years of producing albums for others, Timbaland came out with his own album, which was loaded with various artists and new, creative beats. Additionally, Jay-Z came out with yet another album after being "retired" for the past few years. The album was created for the movie "American Gangster," and included the voices and background music from some greats like Marvin Gaye.

## Kanye West

Kanye West's release of his third album was again another success. Laced with new beats and oldschool make overs, songs like "Stronger" popularized this album. The success of the album won Kanye four Grammy Awards, including best rap song and best rap album, as well as earning him a performance at the Grammys.

Case volleyball has always had the reputation of being an excellent program and this season we continued that excellence. With a new and young team we proved we were still a force to be reckoned with. We ended our season with an overall record of 14-10 and third in the South Coast Conference. We made it into the Massachusetts Division II State Tournament once again and entered as the 14th seed. In the first round of play we defeated the 3rd seed, Pembroke. Unfortunately in the second round we lost to Bourne in the most intense 3 set we had played all season.

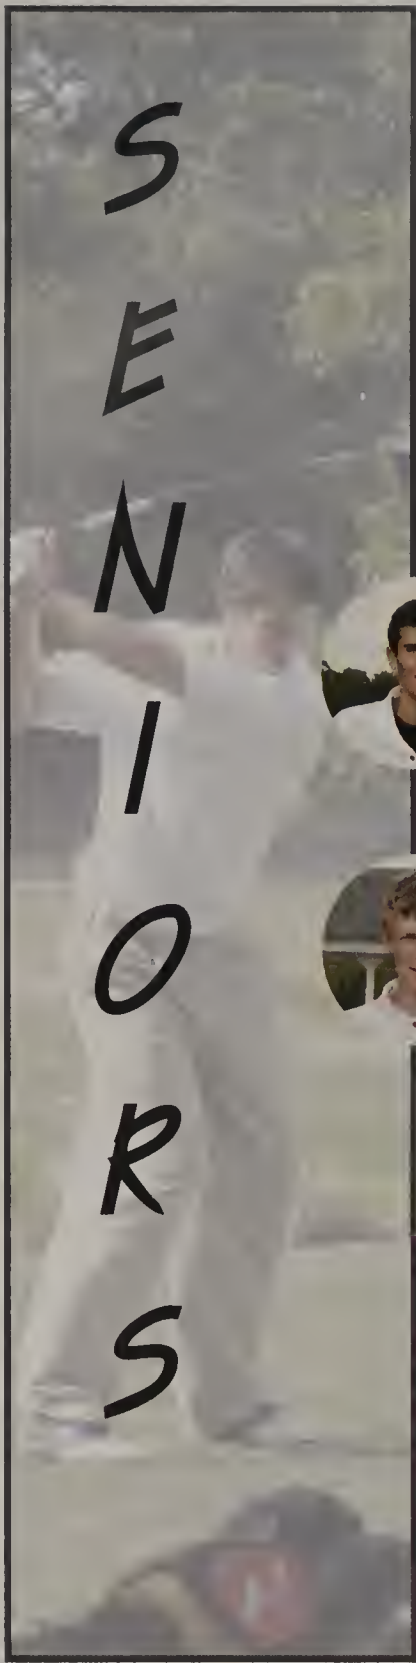

Leading the team this year were seniors Allie Mastrocola, Shannon McGinn, Rachel Hodosh, Kayla Reposa and junior captain Olivia Amorin. Allie and Olivia were named co-MVPs, Shannon received the Coaches Award and Rachel received the Sportsmanship Award. Allie and Olivia received SCC All Star along with The Herald News All-Star. Shannon received The Herald News Honorable Mention and the SCC Honorable Mention along with sophomore setter Kristen Robillard. The graduating seniors would like to wish next years team good luck in their 2008 volleyball season.

This year's Golf team led an exciting season. They managed to have a few wins, and tied two very difficult teams. Leading the way were Senior Captains Mark Savastano and Tom Dyer. Mark and Tom both clinched MVP awards for their outstanding amounts of personal wins (9 and 10 respectively). Nick Fanuele received the Coaches Award for always having a positive attitude, while Tom received the Sportsmanship Award from second year coach Bruce Cookson. Hopefully the remaining members of the team will step it up and pull away with some big wins next season.

The boys' soccer team began with an entirely different team than last year. After losing 11 seniors last season, every spot in the starting line up was up for grabs. Rarely was there a game where the same starting line up played, thanks to a few A.C.L, M.C.L, ankle, and appendix injuries. We still put together a competitive team that played every game with heart. Unfortunately, our record (2-12-4) did not reflect the effort that was put forth by the team. We did, however, manage to tie Somerset and bring the Cabral Cup to Case for the first time, an honor that we are proud to have taken part in. SCC All Stars included Matt Batista, Tom Boucher, and Chris Deschenes. MVP was Chris Deschenes. Tom Boucher earned the Coaches Award, and Brad Costa earned the Sportsmanship Award.

The girls soccer team had an interesting season this year. They started out rough, losing a key senior player, Kasey Jeronimo, before the start of the season. The bad luck continued, losing three more players over the course of the year. Even with all the injuries, they pulled through. The girls ended up qualifying for the MIAA tournament and making it to the quarter finals. The team this year varied from those in the past. Losing players motivated the girls and brought the team together as a whole, somewhat like a family. They all consider it to have been an amazing season, one that they will never forget. The graduating seniors would like to say good luck to next years' seniors, and enjoy it, because before you know it the season will be over.

Senior Alicia Grenier was made an SCC All-Star, Senior Captain Jocelyn Brothers and Sophomore Brittany Resendes were named honorable mention SCC All-Stars. The 2007 Case High Football Team had yet another tough season. The team had many returning seniors, but few returning starters from the 2006 season. Numerous injuries to key players were major obstacles that the Cardinals had to overcome in their 2007 season. Even with these problems, Captain Mathew Pelland and Zachary Decof lead their team into each game with the hunger for their first win.

any Juniors returned along with some sophomores who made their Varsity debut. This season had no label of an upper or lower classman. The Cardinals consisted of every player attending practice every day to play with character, attitude, strength, and excellence. Even with a winless season this year's team learned more about themselves and their team than anyone had expected. A sense of a good team was created when every member on that team felt the same pain you felt after falling short of a win week after week. This bond and hunger for a win will carry over into next season, and will make the Case Cardinals stronger in the future. Go for returning players next year, good luck, and always remember the words of Brutus, "Cardinals Prepare for Glory."

The Boys Winter Track team showed great spirit and talent throughout the season. In comparison to last year's team of 29 members, this year's team was made up of only 17 guys including 6 seniors. While the small size of the team made it difficult to compete against the larger teams in the conference, Case boys held their own and managed to break and set several school records and personally advance themselves to higher levels. Ben Avila, Tim Boardman, Tom Boucher, Jared Cusick, and Pat Fam all landed spots in the post-season Division IV MIAA State Competition on Feb. 16.

The girls' winter track team consisted of one of the largest teams in over 4 years with 20 strong athletes. With our coaches Mrs. Gibeau and Whitey, we improved significantly so that numerous school records were broken. Practices were far more intense lasting from 2:15-5pm and work-outs had to be creative since we could only use available hallways. In the end though it was clear that the practices paid off. As a team, we attended more elite meets such as the coaches relay invitational and the Macintier relays where our 4x400 girls relay placed 6th. In the conclusion of the season quite a few girls moved on to states including Beth Avila, Kate Beers, Steph Morgado, Kristen Robillard, Brittany Resendes, and Kara Walker.

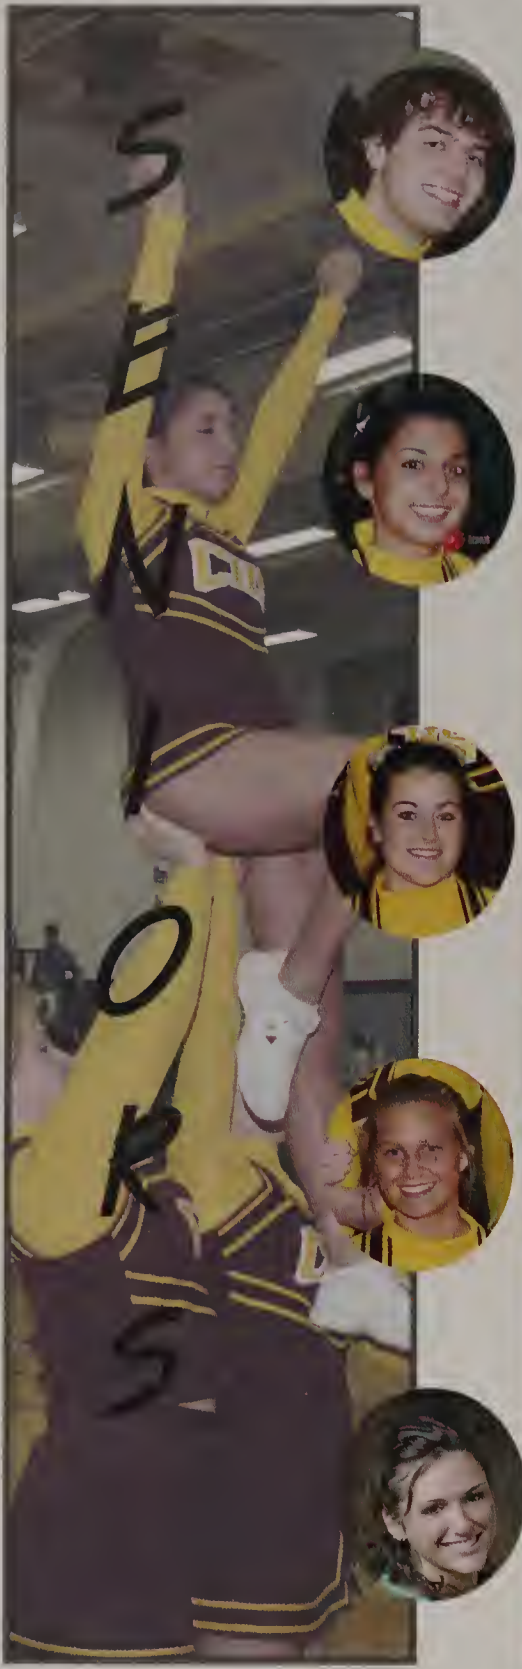

This year Kara Walker earned the position of MVP and was a 1st Team All-Star. Kristen Robillard was awarded the Coaches Award and Laura Carberry received the SCC Sportsmanship Award. Stephanie Morgado and Brittany Resendes were SCC Honorable Mention All-Stars.

Our team consisted of fourteen girls and one boy for the 2007-2008 winter cheering season. Along with our coaches Karen and Jody, we worked to build a winning routine. We also had to learn to work together with many new additions to the squad. We worked extremely hard at every game and every practice for just one day - our competition on February 9th at Dighton-Rehoboth Regional High School. We performed our routine better than we ever had before. We placed fourth in our division. We did move on to the regionals to compete again. We made our coaches very proud of us. So proud they awarded Kali Nicolan with the MVP award, Rachel Hansen with the Coaches Award, and Chelta Botelho with the Sportsmanship Award. We will always remember an awesome season with great friends.

First row (l to r): Courtney Silvia, TJ Landry, Kali Nicolan, Cait Cestodio, Kayla Reposa, Rachel Hansen. Second row (l to r): Chelta Botelho, Rebecca Masterson, Brittany Gifford, Emily Manton, Rebecca Dillon, Kim Kaiser, Adrianna Santos.

The boy's basketball team was full of new faces on its starting line up this year. With six seniors departing last year and only two returning varsity players, eight new players were left fighting for playing time. The wins were not piling up, but through the course of the year players made progress. The highlight of this progress was when senior Justin "Donka" Mendoza sank a beautiful baseline jumper as he ended his basketball career at Case High School. The captains were Chris Deschenes and Chris Fitzgerald. This season's MVP was given to Chris Fitzgerald. The Coaches Award was given to Chris Deschenes and Justin Mendoza earned the Sportsmanship Award.

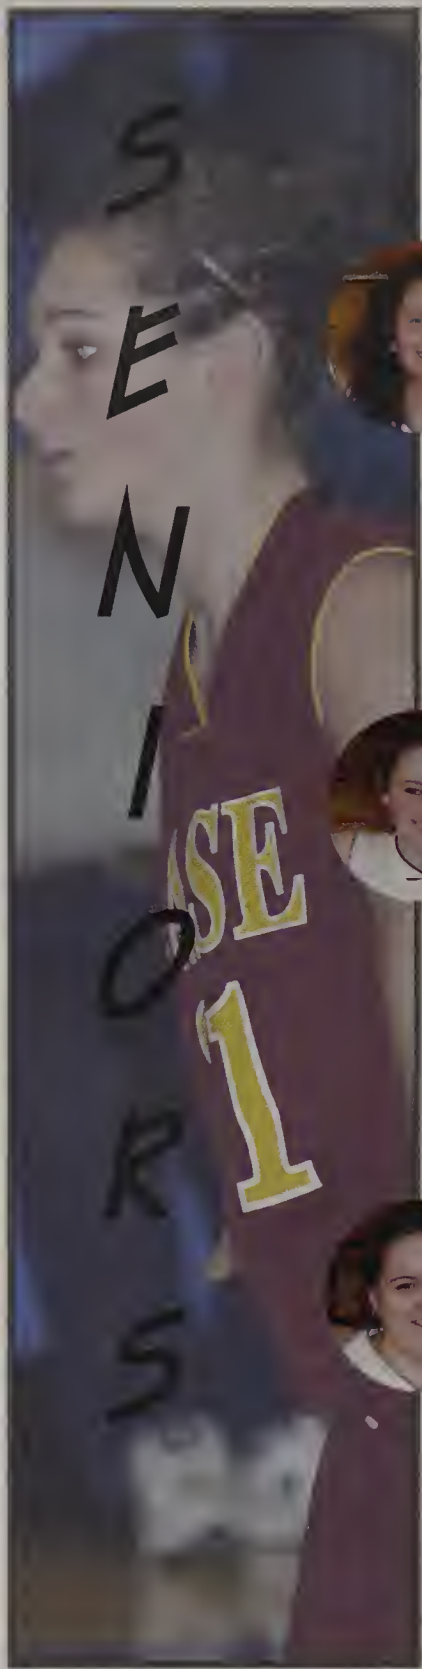

First row (l to r): Keith Bernardo, Justin Mendoza, Zach Medeiros, Rob DosReis, Cody Zygmunt. Second row (l to r): Coach Holubesco, Ryan Oliver, Chris Deschenes, Nick Fanuele, Jeff Rodrigues, Jimmy Crosson, and Chris Fitzgerald.

For the 2007-2008 Lady Cardinals, it was quite the rebuilding year after losing three seniors last year. We came back with a young team made up mostly of underclassmen. Despite our record, we didn't focus on the wins and losses, but the progress we were making. Led by seniors Shannon McGinn, Maggie Fullmer, and newcomer Alicia Grenier, we continued to work hard. Even though we didn't qualify for the state tournament we never gave up, but looked forward to the next game instead. Our pride and character was demonstrated by playing hard to the last second of every game. This year our team's MVP was Shannon McGinn. Shannon was also the Dave Cowens Award recipient. Olivia Amorin received the Coaches Award and Margaret Fullmer earned the Sportsmanship Award. The seniors would like to wish next year's team good luck and to make us proud!

To the Girls' Tennis Team of '08:

Remember it's the effort before you step onto the court that will determine your success on the court.

Best of Luck, Coach P. Cote

Dear Ladies -

Please Remember 5 things:

1. Judge your success by what you had to give up in order to get it.
2. Take charge of your attitude. Don't let someone else choose it for you.
3. Commit yourself to constant self-improvement.
4. Don't let weeds grow around your dreams and...
5. REAL WOMEN RUN TRACK!

Jog On-  
Mrs. G

To the Seniors,

Best of luck this upcoming season. Thanks for a memorable four years.

Your seven dimple smile and twinkling eyes grabbed us from the start and we've never let go! With your curiosity, zest for life, and sheer determination you are sure to have an amazing future. As one great thinker once said, "Cherish your past, but do not look back; instead, look forward to your future."

I hope that the days come easy and the moments pass slow,  
And each road leads you where you want to go,  
And if you're faced with a choice, you have to choose,  
I hope you choose the one that means the most to you.  
And if one door opens to another door closed,  
I hope you keep on walkin' till you find the window,  
If it's cold outside, show the world the warmth of your smile,

My wish, for you, is that your life becomes all that you want it to,  
your dreams stay big, your worries stay small,  
You never need to carry more than you can hold,  
and while you're out there getting where you're getting to,  
I hope you know somebody loves you, and wants the same things too,

I hope you never look back, but you never forget,  
All the ones who love you, in the place you left,  
I hope you always forgive, and you never regret,  
And you help somebody every chance you get,  
Yeah, this, is my wish.

Congratulations on your Graduation!  
With all our love always,  
Dad, Mom, Jesse, Nicole, Luke and Olivia

Shayna,

Each week that passes by I realize more and more how lucky I am to have you as my daughter. I knew from the time you first could walk and talk that you would grow into a confident, self-motivated daughter. Shayna, you are independent and responsible, and you will be an achiever all of your life. I know in my heart you will have a bright and successful future because it's your heart and soul that motivates you.

I was just remembering how I would walk into your bedroom over the years not knowing quite what to expect. I will never forget the day I walked into your room, looked up and instead of a ceiling light, there was a big red soda crate hanging from the ceiling with shoelaces holding it up! There were times I would think you had taped some picture on the wall but no, it wasn't a taped picture but a painted picture instead. Your bedroom has always been your canvas and you've created many interesting self-portraits over the years.

We are excited for you and very proud of you Shayna. You should be proud of yourself! You worked so very hard to see this day arrive. You're off to college and we are going to miss you. Make the most of college! Build a great future for yourself by using all your energy and creative talent.

CONGRATULATIONS on your Graduation!

Love,  
Mom and step-Dad XXO

Margaret,

Congratulations! We are so proud of you! It has been a pleasure watching you grow into a wonderful young woman. As you start college remember to aim high and believe in yourself. We love you.
